

**Our Vision:**

*Is that individuals/whānau with disabilities have the confidence and resilience to fulfil their dreams and make them a reality*

**Making Dreams, Reality**

Enabling Individuals with disabilities  
and their whānau to live good lives .

**Our Mission:**

*To empower individuals and their whānau to become self-managing by aligning with the 8 principles of 'enabling good lives'*

**Our Aim:** *To provide a service that is based around the Maori Model of Health "Te Whare Tapa Wha" (holistic model) and to use this framework to develop and identify goals together with individuals and their whānau.*

**We can tailor a package that works for you and your whānau which are not limited to the following:**

- Manage funding and payroll services
- Support work including personal care and H/M
- Recruitment and management of Support Workers
- Advocacy, Multi-agency support plan facilitation
- PATH facilitation/Te Whare Tapa Wha/Goal setting
- Kaupapa Māori
- Holistic and individualised
