Introducing your GROWING TOGETHER facilitator

Lisa McEvoy

Welcome to a place where
we cherish family caregivers.

I am a long-term caregiver for my 32 year old son and I cared for my mother as she passed away from Motor Neuron disease. I am a Certified Caregiving Educator, Consultant and Advocate. I understand the stages of the caregiving experience and can help you plan and prepare for deeper satisfaction in your role.

I'm looking forward to meeting you and learning together.

knowledge to take charge of
your caregiving experience.

six weeks in the first term 2020.
